

The **PEL 700 Baler** is a low-noise compact baler which is ideal for smaller farms. It is the medium sized unit in our range of Agri Wrap Balers and has the capacity to hold up 60-80 wraps. Create a cleaner, safer farming environment with the help of a PEL 700 Baler.

BENEFITS OF THE PEL 700 BALER

- The PEL 700 Baler has a compact footprint and so it can be placed close to source of waste, increasing farm efficiency.
- This is a very simple piece of equipment to operate, which allows for waste recyclables to be stored in the chamber creating a safer and cleaner farming environment.
- Waste in baled format has significantly lowered associated fire risks or trip hazards.

WHAT OUR CUSTOMER HAVE SAID ABOUT THE PEL TRACTOR BALER PRODUCT RANGE

"My father purchased the PEL Tractor Baler at the Highland Show two years ago.

We find it very simple to use, we previously used a fork lift to pack the waste plastic wrap into a trailer but, by using the PEL TR Baler we have reduced our volume of wrap which saves space and more importantly time. I would definitely recommend the PEL Tractor Baler."
